

## Replacement of BHT-Update and BHT-Online with ALPO Advantage Local Port Order

08.Juli 2009

Dear Sirs,

Electronic Customs Export has been obligated by 01, July 2009 by the german customs authorities. The new system ALPO provides the required amendments and replaces the systems BHT Update and BHT-Online.

Please pay attention to following information:

- The system BHT-Update and BHT-Online are only available up to 30.September 2009.
- New orders should be issued by the mentioned systems only in exception and at the latest 31.08.09 to be able to provide the batch-processing and error-correction.
- It isn't necessary to use both systems after changeover to ALPO.

ALPO provides all known feature and further more. The first impression you will get by the demo version on our Homepage.
