RELEASE NOTES ALPO VERSION 1.38 -RELEASE CHANGE ON 10.04.2018

Dear Sir or Madam,

for the 10.04.2018 we have planned a release change for the ALPO system. On customer request, we have made some improvements. Additionally we will also provide a bug fix.

- **ZAPP:**
Change: MRN fast entry (analogous to BHT).

Change: Long text display of the port name and search via wildcard (*)

Change: Display of the terminal code in vessel search
- **ALPO - all port modules and SOLAS**
Change: extension of data export function orders; over several pages the corresponding data lines can be selected and can be saved in EXCEL-document format

For further information please feel free to contact your product representatives.

Best regards
